
VertaClean

CLASSIFICATION:

- RTU clinging citrus degreaser

PACKAGING:

Jug	Pail	Drum
4L	20L	210L

DESCRIPTION:

- **VertaClean** is an extremely effective remover of grease, oil, marks and general soils from wide variety of surfaces including equipment, hoods and walls.
- **VertaClean** is sprayable from a trigger sprayer, yet thickens upon hitting the surface, providing excellent vertical cling.
- **VertaClean** is a citrus solvent / d-Limonene based product.

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance Orange opaque liquid
- Odour Orange
- pH, Concentrate 9.0 – 10.5
- Specific Gravity 0.99

USE DIRECTIONS:

1. Use in undiluted form.
2. Although the product is thick, it will thin when stressed during spray to provide good spray coverage. Spray evenly onto surface and allow to sit 5 minutes or as long as necessary to achieve soil removal. The product will thicken on contact and remain intact and wet.
3. Scrub as necessary. Wipe off and rinse as necessary. For food contact surfaces, rinse well with potable water.

See Material Safety Data Sheet for proper handling and safety instructions.
