

Lemon-kleen

CLASSIFICATION:

- Neutral cleaner (Routine facility-wide floor & hard surface cleaner)

PACKAGING:

Jug	Pail	Drum
4L	20L	210L

DESCRIPTION:

- **Lemon-kleen** is a commercially neutral cleaner, safe for use on any water-washable surface. It will not dull any surface, leaving a streak-free appearance.
- **Lemon-kleen** is ideal for use as a general facility floor cleaner, including floors coated with a floor finish. It may also be used on countertops and other surfaces requiring a streak-free, light duty cleaning.
- **Lemon-kleen** is low foaming, and can be used in autoscrubber as well as mop and bucket as applications.

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance: Clear fluorescent yellow liquid
- Odour: Lemon
- pH, Concentrate: 8.5-9.5
- pH, 1:80: 8-9
- Specific Gravity: 1.01
- Viscosity: 20-40 cps

USE DIRECTIONS:

- Dilution: Prepare use solutions of **Lemon-kleen** in cold water.

Application	Dilution	mL/L
Light Duty Mopping	1:40	25
Heavy Duty Mopping	1:20	50
Light Duty Autoscrubbing	1:60	17
Heavy Duty Autoscrubbing	1:30	33

- **Routine floor cleaning:** **Lemon-kleen** may be used with a mop and bucket in a damp or wet mopping operation. **Lemon-kleen** may also be used in an autoscrubber equipped with a red floor pad.
- **Floor finish scrub and recoat:** Use **Lemon-kleen** at the heavy concentrations listed above. Scrub with an autoscrubber or a low speed scrubber and blue pad.
- **Multi-surface cleaning:** Apply to surface from spray bottle or bucket. Wipe. If used on food contact surface, rinse well with potable water.

See Material Safety Data Sheet for proper handling and safety instructions.
